

Imagine your vehicles
10 Years down
the road...

Imagine your vehicles
with the

ULTRA ROAD SHIELD®
10-year warranty

Aleris Rolled Product's **ULTRA ROAD SHIELD®** product is the merging of our quality aluminum coiled sheet with an innovative acrylic paint system. This unique coated coil product offers a balance of exceptional adhesion and exterior durability. The excellent exterior exposure characteristics are combined within a coating system that provides high resistance to metal marking, stain resistance and ease of cleaning.

ULTRA ROAD SHIELD STANDS UP TO THE ELEMENTS BETTER THAN ORDINARY FINISHES

ULTRA ROAD SHIELD is designed specifically for transportation applications that require a durable exterior grade acrylic coated aluminum product. ASTM accelerated weathering tests prove **ULTRA ROAD SHIELD** helps your vehicle look better.

- Enhances corrosion resistance
- Reduces effects of humidity
- Protects from harsh effects of sunlight
- Minimizes effects of weathering

10-YEAR WARRANTY ENSURES YOUR VEHICLE'S PREMIUM APPEARANCE

- Two-coat acrylic paint system adds protection.
- Easier to clean finish looks better longer than standard finishes.
- Improved color and gloss retention helps vehicles look newer.

YOU CAN RELY ON CONSISTENT COLOR RESULTS EVERY TIME

- Computerized color matching paint system ensures results you can trust.
- High gloss white products are extremely stable and display no visible color drift when initially exposed to natural sunlight.
- **ULTRA ROAD SHIELD** is available in virtually any color as a high gloss finish.

Our products are widely available from Aleris Rolled Products authorized, independent metal service centers across North America.
