

## What will your fleet look like ... in **10** years?

Aleris Rolled Products **ULTRA ROAD SHIELD**<sup>®</sup> is a two-coat acrylic paint system that is applied to the aluminum sheet and adds miles of protection to your trailer body. Our 10-year warranty ensures your trailer will be protected for the long haul. With improved color and gloss retention your trailer will be easy to clean and look brighter longer.

**ULTRA ROAD SHIELD** stands up to the elements and is designed specifically for transportation applications. According to ASTM tests\* to measure chipping and corrosion resistance, **ULTRA ROAD SHIELD** is proven to provide your trailer with:

- Enhanced corrosion resistance
- Protection from damaging UV rays
- Improved color and gloss retention
